
Title: A Plea For Help!

Author: The writing is smudged

M'LORD! M'LADY! THY
WHO HATH PICKED UP
THIS BOOK!

I apologize for my shaky
hand and the running ink
but I fear the villians
shall return any moment.

I have overheard their
plans as they ate by the
bridge! Please m'lord,
m'lady rally this letter to
Lord British and his
council or to the Royal
Guard!

Minax is building her
forces outside and around
the area of Humility in
Ilshenar! Hordes and
hordes I heard them say
and I fear for our lives!

Rally the forces quickly.
Take this book and rally
the forces, oh please!

Hurry! Time is running
the writing is smudged

MINAX LEADS THEM!
RALLY THE FORCES,
RALLY THE *the writing
